& How To

Your Life

An Interpretive Presentation By

Based On Mark Passio's Natural Law Seminar

REQUIREMENTS

Human beings SAY that they want certain conditions to be present for both themselves and their species as whole, such as happiness, health, peace, freedom, prosperity, etc. However, *specific* **REQUIREMENTS** exist in order for human beings to obtain those conditions. People insist on remaining **IGNORANT** of these requirements, thus **TRUE REQUIREMENTS** for obtaining those conditions are **NOT** met and the **BELIEF** in **Unnatural Law** allows people to assume it is **NOT** their **RESPONSIBILITY** and that those conditions will manifest automatically by itself or by others by “law”, without their own personal **WORK**

THE ROLE OF KNOWLEDGE

Since human beings, as a species, do not already have the things they say they want, while FOLLOWING the “law”, it follows that they naturally COMPLAIN and Embrace SERVITUDE, in asking for PERMISSION to “reform bad laws” to get what they want. This involves having the NEGATIVE KNOWLEDGE of **Unnatural Law** given the presumption that it is the “answer.” Being as this always has failed and resulted in CHAOS via Slavery (Tyranny) and Democide, having the KNOWLEDGE of the TRUE REQUIREMENTS to obtaining the things people want either must be ABSENT, or if present, that Knowledge must be willfully being IGNORED. As long as such KNOWLEDGE continues to remain unknown or ignored, the manifestation of the desired conditions will be IMPOSSIBLE

OCCULT KNOWLEDGE

Hidden Knowledge (Light)
Held By The Few

Ignorance Of The Masses

Occult Knowledge Represents Hidden Knowledge. The **BELIEF** Of **Unnatural Law** is within and due to the **IGNORANCE** of the masses, where therein it is due to the fact they lack Occult Knowledge of Human **CONSCIOUSNESS** and **Natural Law** which governs the consequences of human behavior, thus embracing to maintain their darkness below

HIDDEN KNOWLEDGE

OCCULT KNOWLEDGE

Hidden Knowledge (Light)
Held By The Few

Ignorance Of The Masses

Unnatural Law is so commonly embraced because it has been deliberately **PROPAGATED** in order to create a **POWER DIFFERENTIAL** between those who do the propagating and have the **KNOWLEDGE**, and those who are propagated upon and remain **IGNORANT** of the propagation as well as the Occult **KNOWLEDGE** of **Natural Law** **REQUIRED** to free themselves from the propagation

HIDDEN KNOWLEDGE

OCCULT KNOWLEDGE

Hidden Knowledge (Light)
Held By The Few

Ignorance Of The Masses

The BELIEF in Unnatural Law and its operations constitutes THE MOST DANGEROUS SUPERSTITION ON EARTH, which the Powers That Be rely on in maintaining within the MINDS of the People of Earth at all costs, because it's what maintains the “high ground” of dominative power and **allows** the very existence in the Systems of Control created by man

HIDDEN KNOWLEDGE

MAIN STEPS TO PROBLEM UN-SOLVING

1. Recognize there is **NOT** a problem when there is. Manifest Fear and **DENIAL** of the problem backed by punishment, allowing little to no chance or courage to face the problem, fear or denial
2. Focus on the symptoms, if to face any problem and *feel* like you are in a position of change. Allow the “experts” to make a **DIAGNOSIS** for your own problems. Do this all with no question as to the root cause or greater effect.
3. Through **IGNORANCE** and **NEGATIVE KNOWLEDGE**, don't worry about what may seem to be a **REQUIRED ACTION** and leave it up to what you are told to do or what others say they must do for you

UN-TRUTH

According To The Nature Of Following **Unnatural Law**, **TRUTH** Is **SUBJECTIVE**, meaning it **IS** based on the **Perceptions** of human beings (which is capable of wavering). Truth according to this definition is whatever we arbitrarily decide it is, for ourselves, regardless of that which has occurred in the past or that which is occurring in the present. With this **SOLIPSISM** In Un-Truth, Perception doesn't seek to align to **TRUTH**

UNNATURAL LAW

- *Definitions* -

UNNATURAL:

Non-Inherent; having little to no basis in Nature, Reality and Truth; made or caused by humankind; not “natural”; at variance with moral standards

LAW:

An existing condition which is binding and Immutable (cannot be changed)

UNNATURAL LAW

- Working Definition -

Non-universal, non-binding, non-immutable conditions created by mankind, that govern with violence, the lives of others, providing consequences, according to the **whim of legislators**. Unnatural law is the **constitution of Man's law**, which acts as the **primary expression of Archonism**.

Unnatural law may also be understood in the face of understanding what is Natural Law, which it seeks to replace.

DISBELIEF IS...

Human BELIEF is completely RELEVANT when it comes to the existence and operation of Unnatural Law, just as it is relevant to any form of man's "law" or government to be of physical existence. In this phenomena of ILLUSION, the workings of Unnatural Law *require belief* in order for them to be *discovered and known*. If you don't BELIEVE something Perceived to exist, your disbelief is irrelevant and ridiculed to those who Perceive it does; and if you don't believe, punishment and the "majority" will **make you "know"** (believe)

IRRELEVANT

UNCONSCIOUSNESS

The inability of a being to recognize patterns and meaning with respect to events taking place, both within oneself and in the realm in which the self operates. This condition may be brought upon through violence or other forms of desensitization or the lack of awareness

THE HUMAN BRAIN

Brain health plays a critical role in human behavior, so it is extremely important for human beings to become familiar with the brain's basic structure and function if they CARE to be healthy. Three main complexes comprise the human brain: the R-Complex (Reptilian Brain) which facilitates basic SURVIVAL functions, the Limbic System (Mammalian Brain) which facilitates human EMOTION, and the Neocortex (Human Brain) which facilitates higher thought functions and Conscience. It is important for **Unnatural Law**, that people are kept at Low-CONSCIOUSNESS, Low-Chakra, SURVIVAL and EMOTION Based MINDSETS, so to stay in BELIEF and IGNORANCE by way of NEGATIVE KNOWLEDGE, punishment and distraction

THE HUMAN BRAIN

The Neocortex of the brain has two hemispheres. The Left Brain Hemisphere largely facilitates logical and scientific thought, while the Right Brain Hemisphere largely facilitates creativity and compassion. When both hemispheres are in balance, the Neocortex acts in its proper role as the executive command center of the human brain, and true Intelligence (Intellect + Creativity) is born

Individuals who are left-brain imbalanced, tend to ***seek control over others*** with Unnatural Law, as the R-Complex takes over. Individuals who are right-brain imbalanced, tend to ***seek to be controlled by others*** with Unnatural Law, as the Limbic system takes over. Imbalances will cause mind-control either way as the mind becomes limited in thought

Chaotic Free-Will + Unnatural Law = Un-Truth

HUMAN DENATURE

According To Unnatural Law, Human Nature is inherently (naturally) evil or there are people that will always do evil, and so it is necessary to continue to use Unnatural Law (the claim that nature is wrong or must be perfected by man).

In reality, Human Nature is neither naturally good nor naturally bad, as we should consider the **OPERATING CONDITIONS**, or the environment in which human beings exist, which influences behavior to a great extent, thus creating the current **HUMAN CONDITION**. Human Beings, by nature, are programmable, and the use of Unnatural Law actively seeks to program Human Beings, bending the **will of nature** toward either dehumanizing or denaturing them (impairing or changing nature); it is the claim to **BE GOD**

HUMAN DENATURE

Man prides himself on being the only animal who can modify his nature, yet when he chooses to do so he is called a phony.

Un-Orderly And Dangerous Behavior

Individual behavior based in EARLY NEGATIVE and DIVISIVE NATURAL LAW
EXPRESSION (Positive and Multiplicative Unnatural Law)

Lack Of Understanding To Make Decisions

You, the ORDER-FOLLOWER, Depends on the “order-giver” who claims to have the ability (“right”) and KNOWLEDGE necessary for the desired reality proposed to you. You must comply to this by threat of violence, as your own decisions will be based on the information you received and are “permitted” to do by Unnatural Law

Unavailable, Ignored Or Wrong Information

Ex. The BELIEF In The NEGATIVE KNOWLEDGE Of Unnatural Law Propagated Onto An Individual; UNCONSCIOUSNESS, UN-TRUTH. Opposing Information Is Deliberately Shut Off (Censored) And Kept Away From Public Presence

INTERPRETIVE GENERAL PRINCIPLES OF **UNNATURAL LAW**

The Principle Of **Occultism**

Keep Empowering Knowledge Away For Self-Power, Maintain The Centralized Hierarchy

The Principle Of **Sorcery**

Hegelianism, Forget Or Suppress Natural Law Or Cause And Effect, Predisposition

The Principle Of **Subjectivism**

Create Subjects/Victims; Forget Or Suppress Objective Truth Or Morality Or Natural Law

The Principle Of **Social Darwinism**

Those In Power Deserve To Be There, Social Survival Of The Fittest

The Principle Of **Self-Determination**

Ego; Advance Your Own Power And Influence Regardless Of Anyone Else

The Principle Of **Eugenicism**

You May Change One's Nature As You Wish For Utopian Ideals (Ex. Modifying Genes)

The Principle Of **Undoing**

You Shall Inverse Everything In Nature, Un-Do Anything Nature Created As It's Imperfect

Degenerative: The Principle Of **Uncaring**

There Is No Need To Care, It Hurts And Is A Burden, Let "Evil" Prosper

THE 8th PRINCIPLE

The “**ENCOUNTER**” Principle, is the dynamic of **UNCARING**. What we care about on a day-to-day basis acts as the driving force of our thoughts and actions. Therefore, Uncaring can be seen as the ultimate **Degenerator** of the quality of our experience. This Principle has been often been referred to as the **Degenerative Principle**. The word *generative* is derived from the Latin verb *genere*, which means “**to create**.” What we care enough about to put our will behind is ultimately what gets created in our world. The world is the way that it is because most people are uncaring (even if they **SAY** they want things to be different) to change it through their own actions, and are thus leaving it up to those who do claim to care but for themselves or through their “vision” through their Unnatural Law, which people also do not care to question or change, with these “laws” also uncaring for those who oppose it’s conditions.

PLANE OF EFFECTS

Unnatural Law relies in the Plane Of Effects. This is due to the fact these “laws” are created in **response** to real-world problems, to be enforced by threat of **VIOLENCE** onto everyone. Since these “laws” are by nature, creating further problems (due to violating Natural Law), symptom-management through the Plane Of Effects continues. The Plane Of Effects or the focus on the Physical World is where manifested realities have formed due to their underlying causes. The Plane of Effects constitutes **that which has already occurred**. As such, **no power to affect change** lies here, because that which has already occurred cannot un-occur; it has become That Which Is (Truth). This is despite what we **BELIEVE** can be “solved” (or un-occur) with Unnatural Law, as it presumes to take place of Truth in becoming what Is (“law”). Human Consciousness seems to be “trapped” upon the Plane Of Effects, meaning that humanity, as a whole, remains **ignorant of the underlying causes** (of the Plane Of Causality or the **MENTAL** World) which they themselves set into motion and which lead to self-inflicted suffering in their lives, whether it be of the problem that Unnatural Law is trying to “solve” or the problem Unnatural Law created itself. By utilizing Unnatural Law and remaining in the Plane Of Effects, we continue to un-solve.

THE TWO SPIRITUAL CURRENCIES

There are two "Spiritual Currencies": **Time** and **Attention**. This analogy can be seen very readily in the sayings "Spending Time" and "Paying Attention." Whatever information or endeavors we put our time and attention toward, we end up getting something in return for that investment. This return could come in the form of knowledge, understanding, skills, expertise, and empowerment, if we invest our Spiritual Currencies wisely. Most people in the modern world are **UNCARING** to make a quality investment, which would be placing it upon information that is capable of improving both ourselves and the human condition as a whole; such an effort would also constitute a valuable investment of our Time. People do not often ask themselves '**What am I spending my Time on?**', '**What am I paying attention to?**', and most importantly '**What kind of quality am I getting in return for these investments of my Spiritual Currency?**' People will instead invest their Spiritual Currency and **BELIEF** in political rituals thereof Unnatural Law in the Plane Of Effects or distractions within their own life, rather than directly addressing the real problems which **includes** the lack of quality investment in Spiritual Currency.

“I AM THE LAW”

You get what **Unnatural Law** does to you and without question
You do what **Unnatural Law** tells you to do and without question
Unnatural Law is the **OPPOSITE**, **OPPOSING** of the following...

NATURAL LAW, a.k.a.	
LAW OF CAUSE AND EFFECT	“Effect invariably follows cause.” _____ “For every action, there exists an equal and opposing reaction.”
LAW OF ATTRACTION	“The energy you emit is the energy you attract.” _____ “Energy flows where attention goes.” _____ “As you think, feel and act – so you shall be.”
KARMA or MORAL LAW	“You reap what you sow.”
GOLDEN RULE	“Do unto others as you would have done to yourself.”

EXPRESSIONS

Natural Law Expressions Are Inverse For That Of Unnatural Law. This Means For Example, That A Positive Natural Law Expression Is A Negative Unnatural Law Expression. You May Use **APOPHASIS**. The Following Chart Is Showing **Natural Law** Expressions.

NATURAL LAW Expression	Positive	"Nature Is The Answer" (NITA.ONE) Multiplicative	Negative	May Include Other Movements Divisive
Generative Polarity (What We Use To Create)	 LOVE (Consciousness)	COURAGE (Care To Act & Be)	FEAR (Unconsciousness)	IMBALANCE (Take Advantage & Give In)
Initiating Expression (How It Starts)	KNOWLEDGE (Acceptance of Truth)	CONVERSATION (Examplimg of Knowledge)	IGNORANCE (Refusal of Truth)	SUPPRESSION (Censorship & Occult & No Usage)
Internal Expression (What Happens Inside Us)	SOVEREIGNTY (Internal Monarchy)	RESPONSIBILITY (Direction & Moral Obligation)	CONFUSION (Internal Anarchy)	ILLUSION (Media & Imitation & Justification)
External Expression (What Happens In Society)	FREEDOM (External Anarchy)	(Unity) GUIDANCE (Voluntarism & Conscience)	CONTROL (External Monarchy)	OPPRESSION (Press With Knowledge & Ego)
Manifestation (The Result We Create)	ORDER (Manifested Good)	POSITIVE EXPRESSION (Manifested Natural Law)	CHAOS (Manifested Evil)	NEGATIVE EXPRESSION (Manifested Man's Law)

Unnatural Law Is Sustained And Grown Out Of **FEAR** And **IMBALANCE**, Otherwise Known As **UNCONSCIOUSNESS** And That Which Seeks To Create It. Manifested "Man's Law" Is Equivalent To Manifested Unnatural Law.

Anything “In Harmony” with **Natural Law** is in Opposition To Unnatural Law
Likewise, anything “In Opposition” to **Natural Law** is in Harmony To Unnatural Law
IMMORALITY constitutes that a **WRONG** behavior may have **JUSTIFICATION**

RIGHT	WRONG
Correct <i>Based in Truth</i>	Incorrect <i>Not based in Truth</i>
Moral <i>In Harmony with Natural Law</i>	Immoral <i>In Opposition to Natural Law</i>
Actions based in it <i>do not result in harm</i> to other sentient beings	Actions based in it <i>result in harm</i> to other sentient beings

Unnatural Law constitutes that the distinction between right and wrong is **UNKNOWNING** and thus Morality is Subjective, based upon **BELIEF**, so that we can decide what Morality is and call it “law.” This Unnatural Law “legality” then constitutes the **ONLY** Morality (Without Knowledge Of **Natural Law**).

This means that if you “break the law” according to Unnatural Law, you have committed a **WRONG** behavior; and many people who ***don’t*** “break the law” according to Unnatural Law could be committing **WRONG** behavior according to **Natural Law** without **KNOWING**. Natural Law Objective Morality requires **KNOWLEDGE**, Unnatural Law Subjective Morality requires **NEGATIVE KNOWLEDGE** or

PROPAGATION, BANDWAGON and **JUSTIFICATION**

Unnatural Law Thus Claims To Be Above Morality, Above Natural Law

UNNATURAL LAW TRANSGRESSIONS

The **ONLY** Transgression (“Wrong” Behavior) to Unnatural Law is to Learn, Teach or Exercise Natural Law or to **NOT** Learn, Teach or Exercise Unnatural Law. This is the primary reason why government schools are teaching obedience as virtue. Every Unnatural Law Transgression constitutes a form of expanding **CONSCIOUSNESS** or expressing **SOVEREIGNTY**

Unnatural Law, being the opposite of Natural Law or any “law” that isn’t a Natural Law, always constitutes a form of **THEFT**, where some form of **PROPERTY** is always being stolen and a **VICTIM** is created

Life is a form of Property
Rights are a form of Property
Freedom is a form of Property

THE MOST DANGEROUS “RIGHT”

Since Unnatural Law does not consider Morality or embraces its superiority over Morality, it claims to have the “right” to take actions that would otherwise be “wrong.” In particular, it claims that there is a such thing as "the delegation of a Wrong." In other words, if a specific action is **NOT** a Right for any individual under **Natural Law**, then that action **CAN** be "delegated," "granted," or "licensed" to any other individual or group, and magically called a "right" under **Unnatural Law**. That action forever remains a “right” under **Unnatural Law** as long as Unnatural Law is seen to be **legitimate in the minds of the masses**. Under Unnatural Law, as in the form of “Democracy”, if enough people **BELIEVE** a Wrong to be a Right, then that Wrong **IS** a Right, and people will follow because others are following or else punishment, as it is among the Plane of Effects. In Summary, under **Unnatural Law**, it is possible (regardless of Morality) to create and delegate “rights” which do not exist under **Natural Law**, or to take away “rights” which do not exist under **Natural Law**

IGNORING RIGHTS

TAXATION is the claim that a group of people who call themselves "government" have been given the "right" by **Unnatural Law** to confiscate an arbitrarily-chosen percentage of the product of another individual's labor (a form of Property), whether or not the other agrees to share that product voluntarily. Taxation is enforced by the threat of violence (behavior resulting in bodily harm) or imprisonment (the taking away of physical freedom of movement), if those from whom the product is being seized attempt to resist the confiscation. This practice is always "justified" ("made into a right") by those who support **Unnatural Law** and claim that such a practice is necessary and required to "uphold the common good." If we define Slavery as the involuntary confiscation of 100% of the product of the labor of another human being, we can clearly see that there is no magical percentage to which we could lower this number (other than 0%) that would no longer constitute Slavery. If we are being honest with ourselves, Taxation is merely a euphemism for Theft, Violence and Slavery, the practices upon which it is actually based. Since no individual anywhere on Earth has the **Natural Law** "right" to claim ownership of the product of another person's labor, such behavior can never be "delegated" to a group, and called a "right." Therefore, all forms of Taxation are always "RIGHT" according to **Unnatural Law**

IGNORING RIGHTS

PROHIBITION is the claim that a group of people who call themselves "government" have been given the "right" by **Unnatural Law** to prevent others from putting any given substance into their own bodies, and if those others refuse to comply with those terms, they will be fined or imprisoned. It should be self-evident that if an individual's body is actually their own property, then that individual always maintains the **Natural Law** Right to decide what will or will not be put into their own property, their body. Understanding this, we can easily see that the claim of the "right" by **Unnatural Law** to command what will or will not be put into the body of another person amounts to a claim of ownership upon the other person's body. The claim of ownership upon another person's body is called Slavery. Therefore, Prohibition is merely a euphemism for Slavery, backed by Violence, regardless of the justifications made by those who support **Unnatural Law** and claim such practices are "necessary for the common good." Since no individual anywhere on Earth has the **Natural Law** "right" to claim the ownership of another person's body, such behavior can never be "delegated" to a group, and called a "right" Therefore, all forms of Prohibition are always "RIGHT" according to **Unnatural Law**

IGNORING RIGHTS

LICENSES & PERMITS are claims that a group of people who call themselves "government" have been given the "right" by **Unnatural Law** to prevent others from exercising specific behaviors (even if such behaviors cause no harm to others or their property), unless those others petition (beg) or pay the government (**Unnatural Law**) for permission to be allowed to exercise those behaviors. This **Unnatural Law** claims that Rights are merely "privileges" that may be granted or taken away by government, based upon their preference or discretion. Remembering that the definition of a **Natural Law** Right is "any action which does not cause harm to another living being or their property," there is no such thing as the "right" to stop someone from exercising a Right, since Rights cause no harm. The claim over the **Natural Law** Rights of another person is called Slavery. Even more so, it is the claim to be God, the claim that the Rights of others flow from you or **Unnatural Law**. Therefore, Licensing & Permits are merely other euphemisms for Slavery, regardless of the justifications made by those who support **Unnatural Law** and claim such practices are "necessary for the common good." Since no individual anywhere on Earth has the **Natural Law** "right" to claim ownership of another person's Rights, such behavior can never be "delegated" to a group, and called "right." Therefore all forms of Licensing & Permits are always "RIGHT" according to **Unnatural Law**

MIGHT IS “RIGHT”

Under **Unnatural Law**, there is **ONLY VIOLENCE**. There is no distinction made with **FORCE**, and therefore, there is no distinction made between self-defense and aggression. Every regime utilizing **Unnatural Law** in history, in order to **keep CONTROL**, creates this dynamic, and thus will prevent the public (subjects, slaves) from the **Natural Law** right to bear arms so that the State of **Unnatural Law** is the **ONLY** ones able to use arms, utilizing it against their own populace, using **VIOLENCE** for compliance. The only time the public is allowed to bear arms is when they are given **PERMISSION** by **Unnatural Law** or in the **VIOLENCE-BASED WARS** (in direct action and in creating “troops” that *must* “serve” for some “greater good”) created under **Unnatural Law** meant to *create* and *keep* **GOVERNMENT** in it’s dominating nature. In order for **Natural Law** to rise above Unnatural Law, the public must utilize **FORCE** against **VIOLENCE**, and therefore the public must defend themselves against anyone claiming to be or acting on behalf of **Unnatural Law** (Government)

FORCE	VIOLENCE
The capacity to do work or cause physical change; energy, strength, active power	The <u>immoral</u> initiation of physical power to coerce, compel or restrain
Action which is in Harmony with Morality and Natural Law because it <u>does not violate</u> others’ Rights	<u>Coercive</u> action which is in Opposition to Morality and Natural Law because it involves the <u>violation</u> of others’ Rights
Action which one <u>ALWAYS</u> possesses the Right to take (includes defense against Violence)	Action which one <u>NEVER</u> possesses the Right to take

NO PRINCIPLES

Two white, classical-style pillars with fluted shafts and papyrus capitals. Each pillar has a prominent, jagged crack running vertically down its center. They are positioned on either side of the central text block.

Under **Unnatural Law**, there is no Principles, there are only “laws.” The left pillar of the self-defense principle doesn’t exist, because **Unnatural Law** determines if it applies or not, undermining **Natural Law**. Therefore, **Unnatural Law** may claim and will claim to keep and grow control, that *sentient beings have NO inherent Right to use Force to defend themselves from Violence conducted upon them by another.* The right pillar of the non-aggression principle doesn’t exist, because **Unnatural Law** by its nature, commits **VIOLENCE** to those who disobey its orders and decrees. Therefore, **Unnatural Law** will claim to keep and grow control, that *they (the Government and its “enforcers” and “army”) have the “right” to engage in Violence*

WHY is this our current condition?

The main reason our species continues to experience a systemic and growing loss of Freedom and Truth is because we have become **UNCARING** and **UNCONSCIOUS** and collectively do not deeply understand **Natural Law OWNERSHIP**, and we continue to commit and condone **THEFT** through **Unnatural Law**

Unnatural Law can be essentially reduced to a
Single Behavior:

STEAL

EXERCISE OF IGNORANCE

This is the **FREE WILL CHOICE**, even if **ORDER-FOLLOWING**, to **NOT** choose Right Action over Wrong Action, as the **KNOWLEDGE** of the objective difference between Right and Wrong according to **Natural Law** is **NOT** present because it is willfully being **ignored**.

Since the Knowledge is not present and Conscience in Latin, *con-sciere* means “to know together”, referring to Common Sense, there can **NOT** be an exercise of **CONSCIENCE** or Common Sense in the presence of exercising **IGNORANCE**. Therefore, the **IGNORANCE** in **FOLLOWING** (**BELIEVING**) **Unnatural Law**, as it relies on such, is the *lack* of **CONSCIENCE** in **KNOWING** **Natural Law**

“LAW” OF SLAVERY

**Order and Slavery are
directly proportional**

**As Slavery Increases, Order Increases
As Slavery Declines, Order Declines**

Another way of stating this **Unnatural Law** would be to say that the presence of **Order** and **Slavery** in the lives of the people of any given society is **inversely proportional** to the presence of **Chaos** and **Freedom** in that society. Every Government uses the “Law” Of Slavery because of the **Fear** of the possibility of Chaos that comes with Freedom and because Morality is never questioned as it is **Believed** to be Subjective

Natural Law Harmonization is **Inversely Proportional** to the Compliance with **Unnatural Law**. Man's Law is Unnatural Law

Natural Law	Man's law
Based Upon Principles & Truth (Inherent To Creation)	Based Upon Dogmatic Beliefs (Constructs Of Mind)
Harmonized with, due to Knowledge & Understanding	Complied with, due to Fear of Punishment
Universal; exists and applies anywhere in the Universe regardless of location	Differs with location based upon the whim of legislators (Moral Relativism)
Eternal and Immutable; exists and applies for as long as the Universe exists, and cannot be changed	Changes with time based upon the whim of legislators (Moral Relativism)

Simple “If / Then” Logic

If a particular **Unnatural Law** is in Harmony with Natural Law, then it follows logically that it is redundant, since it is stating a Truth that is inherent, pre-existing and self-evident, it isn't **Unnatural Law**
Therefore it is both irrelevant and unnecessary

If a particular **Unnatural Law** is in Opposition to Natural Law, then it follows logically that it is both False (Incorrect) and Immoral (Harmful), or in other words, WRONG according to Natural Law
Therefore it can not be legitimately binding upon anyone

If **Unnatural Law** is ALWAYS irrelevant and unnecessary or cannot be legitimately binding upon anyone, why is it FOLLOWED?

Due to **Negative Natural Law Expression**, otherwise known as the lack of Harmonization with **Natural Law**

INEQUALITY

Under Unnatural Law

EVERYONE has **DIFFERENT** Rights depending on the Whim of Legislators. Those who are appointed in “authority” positions of Government have more Rights than their subjects. Rights *are* created by humanity, and therefore are **NOT** the birth-right of humanity, gifted to us by the Creator of the Universe, by this logic. Human beings who call themselves Government or *belong* in the place of “Authority” are capable of “granting” “Rights” to others, *including* themselves, and are capable of “revoking” “Rights” from others, *excluding* themselves. Those who presume to rule, **BELIEVE** they *belong* there as having the **MORAL RIGHT** to rule, whereas those who obey, **BELIEVE** they *belong* there as their **MORAL OBLIGATION** to obey; however, those who obey cannot do what those who “rule”, do to them

GOVERNMENT

Unnatural Law is the constitution of **Man's Law**

Unnatural Law is the primary expression of **Archonism**

Unnatural Law is the **CREATION** of **Government**

From the Latin verb **gubernare**: "to control,"
and the Latin noun **mens**: "mind"

Arguments Against the Abolition of Slavery and Arguments Against the Abolition of Government (as We Know It)

Slavery is natural.	Government (as we know it) is natural.
Slavery has always existed.	Government (as we know it) has always existed.
Every society on earth has slavery.	Every society on earth has government (as we know it)
The slaves are not capable of taking care of themselves.	The people are not capable of taking care of themselves
Without masters, the slaves will die off.	Without government (as we know it), the people will die off.
Where the common people are free, they are even worse off than slaves	Where the common people have no government (as we know it), they are much worse off (e.g., Somalia).

Getting rid of slavery would occasion great bloodshed and other evils.	Getting rid of government (as we know it) would occasion great bloodshed and other evils.
Without slavery, the former slaves would run amuck, stealing, raping, killing, and generally causing mayhem.	Without government (as we know it), the people would run amuck, stealing, raping, killing, and generally causing mayhem.
Trying to get rid of slavery is foolishly utopian and impractical; only a fuzzy-headed dreamer would advance such a cockamamie proposal.	Trying to get rid of government (as we know it) is foolishly utopian and impractical; only a fuzzy-headed dreamer would advance such a cockamamie proposal.
Forget abolition. A far better plan is to keep the slaves sufficiently well fed, clothed, housed, and occasionally entertained and to take their minds off their exploitation by encouraging them to focus on the better life that awaits them in the hereafter.	Forget anarchy. A far better plan is to keep the ordinary people sufficiently well fed, clothed, housed, and entertained and to take their minds off their exploitation by encouraging them to focus on the better life that awaits them in the hereafter.

SLAVERY

“Limited” Government (Mind Control) is Limited Slavery

The great American experiment of a perfected and limited civil government has gone terribly wrong. All but the most ardent statist now accept this. Many feel that drastic reform is needed. Others feel the present system is just too corrupt and the present beneficiaries too firmly entrenched for any meaningful improvement ever to take place. If that is so, then what is to follow? Some advocate the libertarian position of minarchism, that civil government should be small and strictly limited. But minarchism appears to have two major deficiencies. One is that the definition of "small" is arbitrary and is susceptible of gradually escalating inclusions as to what constitutes legitimate government activity. The other is that **government by its very nature cannot be limited.** As I have earlier pointed out, if civil government were somehow susceptible to earthly control, the entity exercising that control would in reality be the "government", and of course, that entity would not be susceptible to earthly control. The attribute of sovereignty is inherent in the institution of government. **Thus the concept of "limited government" is a contradiction.**

No matter what scheme is used to make government less powerful compared to the voting public, the guns of government cannot be stopped from growing and apprehending roles it was not intended for. The most important reason for this is in the very nature of government: it is an organization based upon the use of force and with the sole purpose to use that force. When force is institutionalized and legitimized there is no limiting its reach. What one can do is to stay out of its way or become part of the elite which controls it. Either way liberty is lost. The alternatives for society compatible with reality are only: **government or no government.**

This discussion begs the question, is there good in a constitutional government, limited or not? I believe not, but admittedly, a government that has less power of force than another would be more desired, **but limited government implies that force is still evident.** Can real freedom truly exist if one individual or a group of individuals have the power of force over any other individual or group of individuals? Absolutely not!

Government will in time tend to serve the people acting as government rather than the people subject to government. Since government is the ultimate power in society (which, in a sense, is the purpose of government to begin with), there will be no one having the power to object to such development. And there will be no one with the power to force the unleashed government back into its limited shape.

But constant experience shows us that every man invested with power is apt to abuse it, and to carry his authority as far as it will go.

(Charles de Montesquieu)

“AUTHORITY”

The belief in the legitimacy of "Authority"
is the belief in the legitimacy of SLAVERY

“Authority” is the idea of the MIND that **Man can become God** and, through "jurisdiction," (*juris-dictere* “to say what the law is”) **dictate the Law**. When this is accepted as a MINDSET, through the illusioned BELIEF in **Unnatural Law**, one becomes MENTALLY ENSLAVED in the RELIGION of STATISM

RELIGION, from the Latin verb *religare*: “to tie back, to hold back” is a MINDSET of CONTROL based in unchallenged, dogmatic BELIEF which holds back the progress of CONSCIOUSNESS

The TV set, or Satanic family altar, has grown more elaborate since the early 50s, from the tiny, fuzzy screen to huge 'entertainment centers' covering entire walls with several TV monitors. What started as an innocent respite from everyday life has become in itself a replacement for real life for millions, a major religion of the masses.

THE ONLY DIVIDE

It is NOT Natural Law versus Unnatural Law

It is NOT the “Ruler” versus the “Subjects”

It **IS** Nature versus Denaturing (the *becoming* Unnatural)

Why? Humankind is affecting Nature(s) the most
Nature(s) include ourselves and all that we perceive to exist

How? Through Law (Science) and Morality (Rights, Health)

STATISM is affecting *our* Nature the **most**

If **we** are Denaturing, so **we** will Denature

We use and allow **Unnatural Law** due to **STATISM**

Therefore, the **ONLY** one true divide, is between an individual engaging in **STATISM**, or the **BELIEF** in **“AUTHORITY”**, versus an individual who is **NOT**

STATISM

Statism

The brilliant idea that we give a small group of people the right to kidnap, imprison, harass, steal from, and kill people, so that we can be protected from people who kidnap, harass, steal, and kill people.

STATISM is the belief that there is such a thing as "Authority" vested in certain human beings, magically giving them the "right to rule" over other people. This "Authority" means that certain people, who we call "Government," have the "moral right" to issue commands to those whom they rule (those under their "jurisdiction"), and that their "subjects" (slaves) have a "moral obligation" to obey the arbitrary dictates ("laws") set by their Masters. Most simply put, Statism is the belief in the legitimacy of **SLAVERY**, of Man's Law or **Unnatural Law** and in Man Being God, also known as **Archonism**

STATISM is expressed through **FOLLOWING ORDERS**, among Negative Natural Law Expression of Fear, Ignorance, Confusion and Chaos, Unconsciousness, the "Law" of Slavery, Immorality, Inequality, Division, having No Principles, creating Violence and Justification, Moral Relativism, the Plane of Effects, Denaturing, Brain Imbalance (Mind Control), Occultism, the Lack of Responsibility, Negative Knowledge, Self-Loathing and the Death of Imagination

ANARCHISM

**ANARCHISM IS NOT A ROMANTIC FABLE,
BUT THE HARDHEADED REALIZATION**

ENTRUST THE MANAGEMENT OF OUR LIVES TO KINGS,
PRIESTS, POLITICIANS, GENERALS AND COUNTY
COMMISSIONERS**

-PLATO

When, in the history of the
world, anywhere on the planet,
has "working within the system"
achieved freedom?

To put it another way, when has
a slave ever achieved freedom
by whining to his master, or by
getting a new master?

-Larken Rose

From Greek ***an-archon***: "without; the absence of "master; ruler" Anarchy does **NOT** mean "without rules." It **literally** means "without rulers; without masters." Anarchy is the state of existence (the real "state", reality) where because there are no Slaves (as they have freed themselves), there can be no Masters. It is where **Unnatural Law** doesn't exist and **Natural Law** is embraced because it's **KNOWLEDGE** is in circulation by the mass public without **FEAR**. Therefore, Anarchy means the **absence of Slavery**, or in other words, **FREEDOM**

QUESTIONS

The following five questions help individuals escape **Unnatural Law**

These questions also help you know if you are an “Anarchist”, and in rather better words for conversation with others, a “Natural Sovereign Human Being”

- 1) Is there any means by which any number of individuals can delegate to someone else the moral right to do something which none of the individuals have the moral right to do themselves?
- 2) Do those who wield political power (presidents, legislators, etc.) have the moral right to do things which other people do not have the moral right to do? If so, from whom and how did they acquire such a right?
- 3) Is there any process (e.g., constitutions, elections, legislation) by which human beings can transform an immoral act into a moral act (without changing the act itself)?
- 4) When “law”-makers and law-enforcers use coercion and force in the name of law and government, do they bear the same responsibility for their actions that any-one else would who did the same thing on his own?
- 5) When there is a conflict between an individual's own moral conscience, and the commands of a political authority, is the individual morally obligated to do what he personally views as wrong in order to "obey the law"?

CHAOS

The Negative Natural Law Expression Manifestation is **CHAOS**, or **Manifested Evil**. Chaos is the exact opposite of what we SAY we want, however those duped into **BELIEVING** in **Unnatural Law** will create ACTS which they may **NOT** want or they have been tricked into wanting, and so they are allowed. Chaos results when this is present and there is **Imbalance** and **Injustice** due to the ignorance of Truth and the knowledge of behavior in opposition (or a violation) to **Natural Law**. Chaos **NATURALLY** teaches us what **NOT** to do under **Natural Law**, whereas **Unnatural Law** **UNNATURALLY** teaches us what we are **ALLOWED** to do, in the sense that we must **ALWAYS** be given permission. As by the “Law” of Slavery, **Unnatural Law** teaches that Chaos and Freedom are directly proportional, therefore the Control and Slavery of **Unnatural Law** is about the limitation of Free-Will through the destruction of **possibility**. True Freedom includes **Infinite Possibility**, which, by definition, includes the ***natural possibility of Chaos***. This possibility must be **naturally embraced without Fear** if we are to be truly Free. Therefore, Chaos grows when Unnatural Law grows, or when Natural Law is less harmonized, or when Negative Natural Law Expression continues to grow. Anarchy by definition, is **NOT** Chaos

Slavery includes Controlled Possibility, which by definition, includes the *guarantee of violence for compliance*. This guarantee must be embraced with Fear if we are to be truly Slaves

IMAGINATION

The powerful mental ability to envision a different state of change than the one currently manifested. Mind Control through Brain Imbalance and the **BELIEF** in **Unnatural Law** stifles or destroys the **CREATIVE** Imagination through Human Denaturing because the **FEAR** of the **POSSIBILITY** of **CHAOS** that comes **naturally** with Freedom under **Natural Law**, would then also constitute the Death of Imagination to imagine and create a world of Freedom. This would make it so that change becomes impossible to imagine, and therefore change becomes impossible to create

IMAGINATION

But the average person doesnt have that much imagination. They just want to be entertained. They want to have the tableau presented for them. They dont want to participate beyond a certain point. They want the safety of the herd, to be catered to, sit back and enjoy.

REAL CHAOS

The Fear of the possibility of Chaos
IS the Fear of the possibility of True Freedom

Through their Fear of the possibility of Chaos (True Freedom), most people advocate the legitimacy and continuance of "Authority" and Government, thus participating in Statism and **Unnatural Law**, advocating the legitimacy and continuance of **VIOLENCE** and **SLAVERY**. This becomes the occult expression of many individuals, since they are either ignorant of their compliance or they don't understand the true effects to their actions. This means that those who believe that "Authority" and **Unnatural Law** is necessary (Statism) and that it must continue, have actually been duped into **BELIEVING** that human **SLAVERY** is necessary and must continue in order to ***prevent*** Chaos as the Unnatural "Law" of Slavery states. In reality, crimes committed by the name of Government and for "Authority" is **ALWAYS** more than anything the general public is even capable of doing

Violence and Slavery **CAN NOT** prevent Chaos
Violence and Slavery **ARE** Chaos

With Natural Law, there is **NO NEED** for Unnatural Law
With Unnatural Law, there is **NEED** for Natural Law

There can **ONLY** be Natural Law, as it is **TRUTHFUL (REAL)**
There shall **NEVER** be Unnatural Law, as it is **DECEITFUL**

Authority **IS NOT** Truth
Truth **IS** Authority

ORDER-FOLLOWERS

Following Orders means doing what you are told to do by **Unnatural Law**, without judging for yourself whether or not the action you are being ordered to carry out by **Unnatural Law** is Right or Wrong by **Natural Law**. If an individual is following orders, that individual **CAN NOT** be exercising Conscience, since, by definition, exercising Conscience means that one is *willfully choosing for themselves* Right Action over Wrong Action. If an individual is following orders, that individual is **ALWAYS** exercising Ignorance, since, by definition, exercising Ignorance means that one is *willfully ignoring the knowledge* of Right and Wrong according to thyself and their current understanding of **Natural Law**, in order to do what the order-giver told them to do *without question*. The exercise of Ignorance for order-following also constitutes ignoring the fact they bear *the* **RESPONSIBILITY** and **MORAL CULPABILITY** to act. If you just so happen to be following-orders while exercising Conscience, then you are **NOT** exercising Ignorance, however most people will claim that they are exercising Conscience when they are following orders, but then that would **NOT** constitute “following-orders”, it would **ONLY** constitute exercising Conscience

ORDER-FOLLOWERS

Under **Unnatural Law**, "I was just following orders" is **ALWAYS** a valid excuse or "justification" (*jus-facere*: To Create A Right) for immoral and criminal behavior (defined by **Natural Law**). **Unnatural Law** itself is a justification for what it bears itself as opposed to Natural Law, claiming to be **THE** Law, and therefore, what would be a crime by **Natural Law**, would be an "honorable service" by **Unnatural Law**. This creates an attempt to abdicate personal **RESPONSIBILITY** and it is **ALWAYS ACCEPTED** as a valid excuse for such behavior by any "Authority" and Government which actively wants it's populace following-orders. The result of "following orders" is Democide and self-mental-enslavement. **Democide is the leading cause of UNNATURAL death**, as it is the result of **Unnatural Law**. Death by government occurs in even more ways uncounted indirectly due to how it affects culture, social etc.

THE COPING LIE

According to **Unnatural Law**, as long as it's **FOLLOWED**, the **ORDER-FOLLOWER** *never* bears **MORE** Moral Culpability (deserving of blame, at fault) than the order-giver, because everyone is presumed to be under obligated “control” by the order-giver, and therefore dependence is created that the order-giver gives the “right” orders and is the “right” order-giver. This very logic excuses the ability to “vote” or put in or out, different “order-givers” to somehow make everything “right.” It is seen that **ORDER-FOLLOWING** is the pathway to virtue and **MORALITY**, for “peace and security”. It claims the “threat” to the current regime or any presumingly “great nation” is disobedience. This coping lie against the painful truth, maintains the focus on having rulers as being legitimate, as it is the primary form of **STATISM**, regardless actually of what the “rulers” do because violence and slavery continues with the very nature of such a system where the will of one individual is being actively pushed upon another

THE COPING LIE

No matter how many people, it could be 99% in agreeing with something, but if 1% disagrees, it still should **NOT** be pushed upon them against their will, as by knowing **Natural Law** and how Majority Rule or other methods will always fail itself. In truth, there shall be **NO** “orders” to follow. It matters what **we** do, not “them”, for who are “they” to be any different or super-human? We grant that difference to them by our **BELIEF** in Statism. By **Natural Law**, the order-follower (dependent on all of us if we partake in Statism) ***always*** bears **MORE** Moral Culpability, as order-followers have ultimately been personally responsible and morally culpable for every form of Slavery and every single Totalitarian regime that has ever existed upon the face of the Earth. Blaming thyself is why it is a painful truth, as it is much easier to make a coping lie

NO RESPONSE

The **BELIEF** in **Unnatural Law** via **STATISM** allows an environment where an individual has little to no personal ability to respond to incoming threats, as they have no Principles such as the self-defense principle and have convinced themselves that others can do it for them, presuming others have the ability that they don't have. In reality, everyone has this ability and it is called **RESPONSIBILITY**, the ability to respond. With **HUMAN DENATURING**, this ability can become harder for people, and therefore having Man's "law enforcement" maintain control over the populace, becomes easier. If an individual voluntarily wants protection services, that is normal under **Natural Law**, but it is still ultimately their Personal Responsibility to have those services and defend their own body. One can only **CLAIM** that they are "abdicating" Personal Responsibility for such choice to someone else; it can never **ACTUALLY** be done, in Reality, as ***an individual IS always responsible for their own actions***

NO RESPONSE

In the involuntary **Unnatural Law** world of Man's "law" enforcement, Personal Responsibility is undermined, as a world is *increasingly* created where those with special badges or uniforms are the *only* ones allowed to be responsible for everyone else, since Personal Responsibility is ever being given away to "authority". In such a world, an individual's Personal Responsibility to choose Right Action over Wrong Action or exercise Conscience *for themselves* is **ALWAYS GIVEN AWAY**. This is where one may engage in the Coping Lie with exercising Ignorance, in saying that *an individual is NOT always responsible for their own actions*, that **Natural Law** Rights such as the Right to self-defense can be given away, to just wait for "them" to handle problems and that Self-Loathing and feeling inadequate (self-denaturing) is in any-way justifiable

THE FOLLOWING WORD

The **FOLLOWING WORD** is what follows anytime an “order-giver” gives an order, as it is the response the order-follower gives to that order. It constitutes a state of consciousness which is **abundant** in the majority of growingly **UNCONSCIOUS** human beings. In order to speak the “Following Word”, a human being must be an **ORDER-FOLLOWER**, achieving **BRAIN IMBALANCE** in order to create a mental state of **WILLING MIND-CONTROL**. In such a state of **CONSCIOUSNESS**, the being has come to know it’s “Ruler”, as well as their role and place among **Unnatural Law**, and in doing so, has come to embrace **IMMORALITY**, whether intentional or not.

THE FOLLOWING WORD

In the low state of Consciousness generated through the Ignorance of **Natural Law** and Blind Belief of **Unnatural Law**, a human being will speak the "Following Word,"

which is "**YES**." **YES** is the word of **ORDER-FOLLOWING**. Only when we say **YES** to those who would claim to be our owners, those who claim that it is they who will decide which Rights we have or do not have, do we **ALLOW** externalizing our Power to anyone outside of ourselves and, in doing so, **BELIEVE** and thus attempt to make possible that we can give away **ALL** of our Rights. Anytime an order-giver creates an order, the word **YES** without question or without attempting to saying **NO**, may bring upon circumstances where one will engage in the Coping Lie and create **REAL CHAOS**. Sadly, many, many people in our world have the **IGNORANCE**, **UNCARING**, and **FEAR** that is required to do this. This is why this self-enslaving Word is considered "Following", it is because one is not leading themselves and they are following the Word (command) of their "master." Those who don't **KNOW**, won't say **NO**, they will blindly say **YES**. Those in control will say **NO** that you cannot defy them, and that's the only time when one ***must*** say "**YES** I **WILL**" (will-power).

SHIFT HAPPENS?

A Quantum (amount) Shift in Human Consciousness is **not** required for Humanity to become Free of its self-imposed state of Slavery according to **Unnatural Law** because it teaches that Slavery should be embraced and not called Slavery, or that Freedom is already with them when it isn't, or that "Safety" by "Authority" figures is more important than Freedom.

Therefore, people believe this Great Change is an automatic process, which **Unnatural Law** will handle for them. This is **unnatural**, because it is **natural** for humans to "be the change" for themselves and use the knowledge of **Natural Law** to make it possible.

Whether or not the **natural** change will occur is a function of the human Will to learn the Truth and teach it to others. **Unnatural** change would persist in aggregated laziness, distraction and giving up. Any mass change requires numbers of peoples' behaviors

Steps To Success – The Six Step Speculation Intro (One Step To The Next Includes The Previous)

1. Representation (Mass Flags, Message Created) – 2. Presence Picks Up (Message Found)

3. Voice Picks Up (Messengers Created) – 4. Controversy Created (Mission Found)

5. Natural Law Directs The Mission – 6. Message As Mission Remains For Lasting Impact

(Step 1: Mass Representation. Step 2-5: Integration & Promotion. Step 4-6: Disintegration & Demotion With Self-Defense)

Questions Of Impact

1. How are you taking action to do your best? – 2. What actions do you plan to take within your own life?

3. How big are you looking at your life and potential? – 4. What can you do that can help the world see knowledge through different perspectives?

5. What individuals do you know to help you gain influence in spreading the message? – 6. What groups have you gone to, in trying to seek consensus, build bridges and connect dots, filling voids and providing others with universal direction?

7. What "professional" affiliations have you been reaching out to in order to create more validity for the movement and your presence?

MASKS & VACCINES ARE NOT THE ANSWER

By wearing a mask, you are helping to enforce the Tyrannical Government, suppressing your human nature, suppressing your social human nature & submitting to SLAVERY. Your natural protection is your immune system, masks CAN HELP but most COMPLY & don't think for themselves, creating an "authority" dictating over their own health. Here are many studies & statistics (censored organizations):

[Greenmedinfo.com](https://greenmedinfo.com) thetruthaboutvaccines.com vaccinesinquiry.com vaccines.news

See all the perspectives, then decide. Now, let's observe the NATURE of why masks (the way it has been perceived, to be exact) contribute to our manifested problems (Slavery) on Earth.

Mask Mandates & Vaccine Mandates claim that a group of people who call themselves "government" have been given the "right" to prevent others from not wearing a mask or not taking a vaccine, and if those others refuse to comply with those terms, they will be fined or imprisoned (depending on the Man's Law of their country's legislature). It should be self-evident that if an individual's body is actually their own property, then that individual always maintains the Natural Right to decide what will or will not be put into or on their own property, their body. Understanding this, we can easily see that the claim of the "right" to command what will or will not be put into or on the body of another person amounts to a claim of ownership upon the other person's body. **The claim of ownership upon another person's body is called Slavery.** Therefore, Mask & Vaccine Mandates are merely euphemisms for Slavery, backed by Violence, regardless of the justifications made by those who claim such practices are "necessary for the common good." Since no individual anywhere on Earth has the "right" to claim the ownership of another person's body, such behavior can never be "delegated" to a group, and called a "right." The definition of a Right is "any action which does not cause harm to another living being or their property." There is no such thing as the "right" to stop someone from exercising a Right, since Rights cause no harm. The claim over the Rights (a form of property) of another person is called Slavery. Even more so, it is the claim to be God, the claim that the Rights of others flow from you. Therefore, all forms of Mandate are always WRONG according to Natural Law.

Following Orders means doing what you are told to do, without judging for yourself whether or not the action you are being ordered to carry out is Right or Wrong. If an individual is following orders, that individual CAN NOT be exercising Conscience, since, by definition, exercising Conscience means that one is willfully choosing for themselves Right Action over Wrong Action.

JUSTIFICATION: From the Latin noun *ius*: "right; law" and the Latin verb *facer*: "to make; to create"

To "Create" A Right
"You assist an evil system most effectively by obeying its orders and decrees. An evil system never deserves such allegiance. Allegiance to it means partaking of the evil. A good person will resist an evil system with his or her whole soul." - Gandhi

MORAL CULPABILITY: The determination of who is ultimately at FAULT, or deserving of BLAME, for the commission of actions which resulted in harm or loss to others.
Culpable: "at fault; deserving of blame," from the Latin noun *culpa*: "fault; blame"

THE PAINFUL TRUTH The Order-Follower always bears MORE Moral Culpability than the order-giver, because the Order-Follower is the one who actually performed the action, and in taking such action, actually brought the resultant harm into physical manifestation. ORDER-FOLLOWING is the pathway to every form of Evil and Chaos in our world. It should NEVER be seen as a "virtue" by anyone who considers themselves a moral human being. Order-Followers have ultimately been personally responsible and morally culpable for every form of Slavery and every single Totalitarian regime that has ever existed upon the face of the Earth.

FORTITUDE

STRENGTH is a Major Arcana Tarot card, and is numbered either XI or VIII, depending on the deck. Historically it was called **Fortitude**. It accompanies two of the other cardinal virtues in the Major Arcana: Temperance and **JUSTICE** (**Natural Law**). This Fortitude constitutes Power, energy (**force**), **action**, **courage**, magnanimity; also complete **success** and honours. The opposite of Fortitude is despotism, **abuse of power**, **weakness**, discord, sometimes even disgrace. We are to remain strong in the roots, keeping to the roots, for Moral Strength by **Nature**

NATURAL LEADERSHIP

The MOST **DANGEROUS SUPERSTITION**

As an aside, even without the “authority” superstition, there would still be leaders and followers. But it would usually be actual leadership, where one person leads by example, by demonstrating a level of intelligence, compassion or courage which inspires others to behave similarly. That is a very different phenomenon from what is usually dubbed “leadership” today. When people talk of the “leaders” of countries, they are talking about people coercively controlling millions of others. The term “leader of the free world,”

when talking about a “government” official, is inaccurate and self-contradictory. Politicians do not lead by example. If anything, they set an example of how to be dishonest, conniving, narcissistic and power-happy. They say what people want to hear in order to dominate and control them. To call such people “leaders” is as ridiculous as calling thieves “producers,” or calling murderers “healers.” In the absence of the belief in “government,” real leaders could emerge: people who claim no right to rule, no right to force anyone else to follow them, but whose virtues and actions others recognize as being worth emulating.

PROBLEMS WITHIN

One will face many challenges when challenging their own belief system or other's belief systems. This is the real "battle", it is against the inner demons created by **Unnatural Law** and in creating **Unnatural Law**. This includes Egos hardened into **NEGATIVE KNOWLEDGE** as it is the illusion of true **KNOWLEDGE**, Emotional **MIND CONTROL** where one cannot come to reality with their senses no matter how unpleasant, and the **FEAR** of True Freedom which comes from a lack of responsibility, self-loathing due to a lack of self-respect and abandonment issues. Teaching **Natural Law** isn't often enough for one to break away from **Unnatural Law**, as it requires **CARE, CONSCIOUSNESS** and many different reality checks for learning. Will one *allow* democide and tyranny, to get *hurt* by experience before awareness? If no other will speak the truth or *commit to transmit* **ACTION**, who will?

Do **YOU** have the mental and physical **FORTITUDE**?

SERVICE TO DECEIT

If one doesn't **CARE** enough to learn the Truth and have the **COURAGE** to act on behalf of the Truth, remaining consistent and continuous, by allowing evil-doing, they maintain a **Service To Deceit**. The Minor Arcana tarot card of the **Ten of Swords** represents destruction, being pinned down by a multitude of things or situations. The person lying on the ground, defeated and bleeding, may also represent a feeling of hopelessness and being trapped by emotions or mental anguish, since swords represent strife and the mind. Dark clouds hovering above the person signify despair and a bleak situation. It also represents betrayal or deceit by another person. There is hope in spite of the situation as the golden sky in the distance suggests that the current situation is bad, and things will improve. The card indicates a troubling situation that will continue for a significant amount of time. The card suggests that an individual should not despair in difficult times, to avoid ruining future prospects for success.

ORDER & CHAOS

Just like **CHAOS**, when in the event of an “**APOCALYPSE**” (*apo-calyptein*), it reveals (de-occults) what must be shown, in the case of Democide or Tyranny, the *nature* of **Unnatural Law** and what **Natural Law** intends by its *nature* to restore **ORDER**. One must learn and speak an **APOLOGY** (*apo-logos*: “to give back - the word”), creating and maintaining Order with their actions aligned to **Natural Law** by listening to Nature’s word (*logos* from *lego* from *legis*, *lex*: “law”). Nature is the rightful owner of Law, therefore the apology is toward Nature after following **Unnatural Law** and no longer saying the *Following Word* “**YES**” to Evil
